Combines medical skincare with a relaxing experience to address all skin conditions

## **Sandalwoods Prescription Facials**

**60 mins • £120**

**90 mins • £180 + RF Skin Tightening**

Blends clinical grade technology with expert-picked medical grade products to give skin exactly what it needs. Brighter, calmer, firmer-looking skin in as little as an hour

## **Stem Cell Facial**

**60 mins • £140**

Calms irritation, softens lines & restores dehydrated skin. Alumier MD fruit enzymes prepare the skin to absorb the concentrated Calcem R stem cell proteins. LED light therapy triggers skins natural restoration

## **Micro-Needling Facial**

**60 mins • £195**

Deluxe anti-ageing combination blends a relaxing facial with precise micro-needling to stimulate natural collagen production for those seeking serious skin regeneration. Includes the eye area

# Skin Resurfacing Treatments & Peels

## ALUMIER PEELS • 30 MINS

### **Radiant 20/10 Starter Peel** £95

Reduces acne, pimples & minimises the appearance of fine lines, large pores & sun damage

### **Radiant 30 Starter Peel** £95

Targets uneven skin tone, lines, wrinkles & dull skin

### **The Alumier MD Ultimate Glow Peel** £120

Minimises the appearance of fine lines, wrinkles & issues like age spots & discolouration. Skin prep required

## DERMAQUEST SKIN RESURFACING TREATMENT • 30 MINS

### **Retinol Infusion** £60

Universal treatment for all skin types & conditions. The perfect pick me up for dull lifeless skin, this powerful retinol blend restores vitality & hydration levels

### **Lactic Acid Resurfacing Treatment** £75

Sensitised, rosacea & irritated skin, also soothes irritated acne & safe for oncology care. Calms redness, gently exfoliates delicate skin lifting fine lines to hydrate & brighten

### **Pumpkin Resurfacing Treatment £75**

Preventative treatment for dull, uneven tone, lines, wrinkles or scarring. Exceptional exfoliation while simultaneously fuelling the skin with essential minerals & vitamins

### **Glycol Acid Resurfacing Treatment £75**

For rough textured skin with fine lines/wrinkles & corrective ageing concerns. Turn back time with this incredibly rich plant stem cell treatment

### **Salicylic Acid Resurfacing Treatment £75**

Acne grades 1-3, oily, combination & congested skin. Salicylic Acid effectively exfoliates the skin & stops acne causing oil in its tracks.

## **DERMAQUEST PEELS • 40 MINS**

*The following peels require skin preparation & downtime*

### **Modified Jessner's Peel £120**

Acne grades 2-4, resilient, oily & congested skin, significantly reduces discolouration. Attack & address stubborn acne concerns, this treatment is designed to stop breakouts in their tracks

### **Skin-Bright Peel £120**

A peel to address melasma, hyper-pigmentation & hormonal breakouts. Battle deep resistant pigmentation due to hormones, sun damage or long-standing post inflammatory pigmentation

### **TCA/Salicylic Acid Peel £140**

Moderate ageing & texture concerns, visible lines & wrinkles, for resilient skin. Bold & impressive this chemical peel treatment is designed to transform rough textured skin for smooth, even toned & revitalised skin

# Injectable Bio-Remodelling

Micro-Injections for Lasting Hydration & Improved Skin Elasticity

The following treatments do not fill or restrict facial movements delivering a very subtle natural-looking improvement

**PROFHILO®**

 **NEOFOUND**

## PROFHILO

### Bio-Remodelling to the Lower Face, Neck & Hands

A sensation since being launched in Europe in 2015, winning multiple awards.

Profhilo flows and distributes itself evenly, improved hydration is visible almost immediately after treatment, after 2 weeks the skin will look brighter and smoother, collagen and elastin improvements will continue with full effect visible after the second treatment.

To achieve results 2 Profhilo treatments are required four weeks apart & then a top-up at six months to maintain the effects

#### **Treatment Areas £250 each**

Mid & Lower Face

Neck

Décolleté

Backs of Hands

\*Courtesy of Dr Emma Ravichandran

### **Consultation needed prior to all skin boosters.**

Disclaimer\*: We are all individuals & results from treatments may vary from person to person. Side effects that may occur

## SUNEKOS

### Effective Bio-Remodelling for Under Eyes, Face & Lip Lines

Sunekos combines a complete mix of amino acids & hyaluronic acid to stimulate collagen and elastin which tightens and plumps the skin.

Lasts up to 6 months, Sunekos is ideal to maintain a more natural look

**£150 each**

**x4 treatments £500**

## NEOFOUND

### Great Bio-Remodelling to Brighten, Whiten & Tighten

Targeting skin at a cellular level, Neofound combines multiple amino acids, low and high weight HA, which work in synergy to specifically target skin health and tissue regeneration.

**Forehead/ Mid Face/  
Necklace Lines**

**£150**

cur are redness, swelling, tenderness and bruising at injection site, however these are mild and temporary.
